## **Plant Tour of GM Grand River Assembly Plant (LGR) September 15, 2009 12:00 - 2:00 p.m.**

**This tour is limited to the first 12 people who respond.**

- **Some guidelines for the tour:**

You must be able to walk at least a mile.

No shorts, open toed shoes, open heeled shoes, or high heels for safety reasons.

We will start the visit with a general 1/2 hour over view of the facility. An hour at least walking the General Assembly plant and then another 20 min or so for wrap up.

This may switch to the Lansing Delta Township Plant (LDT) but for now we are scheduled for LGR. We will advise the attendees if there is a change as soon as possible.
